

LETTER OF INTENT
Louisiana Relay Administration Board (“LA RAB”)

LA RAB has created a grant program designed to support Louisiana-based nonprofit organizations, preferably organizations recognized as 501(c)(3) charities under the United States Internal Revenue Code as well as initiatives sponsored by deaf-owned for-profit organizations. Such entities ideally will have a principal or secondary purpose of promoting programs or services central to Louisiana’s deaf, deaf-blind, hard-of-hearing, or speech-impaired communities.

If a letter of intent is submitted and approved by LA RAB’s Board of Directors, the applicant will then need to submit a grant application and further, a separate grant agreement.
